3. Petitioner's Proposal
 - Exhibit A – Ordinance 06-50
 - Exhibit B – Tree Conservation Easement
 - Exhibit C – Home Elevations
 - Exhibit D – Conceptual Landscape Plan

Staff Reviewer: Andrew Murray

Petition History

This petition was introduced at the January 10, 2011 Westfield City Council meeting and appeared before the Technical Advisory Committee on January 25, 2011. A public hearing is scheduled to discuss this petition at the February 7, 2011 Advisory Plan Commission meeting.

Procedural

- Amendments to the written commitments associated with Ordinance 06-50 are required to be considered at a public hearing.

- Notice of the February 7, 2011 public hearing was provided in accordance with the APC Rules of Procedure.

Project Overview

Project Location

The subject property is located at the southeast corner of Carey Road and 169th Street (the “Property”).

Project Description

In 2006 the Property was rezoned from AG-SF1 to SF-2 to provide for a single-family subdivision. The rezone petition proposed commitments regarding building materials, garage sizes, structure sizes and other elements regarding the development of the Property. The proposal would amend the established commitments, as follows:

B. Square footage requirements (exclusive of basements, porches, garages, or patios):

- a. One-story homes – ~~2,600~~ 2,350 square feet of finished space.
- b. Two-story homes – ~~3,200~~ 2,800 square feet of finished space.
 - i. Ground-floor minimum – ~~1,500~~ 1,400 square feet.

J. Homes abutting the Tree Conservation Easement shall be two-story homes and shall contain at least three (3) of the following enhancements:

- 1. Finished space “pop out”
- 2. Bay Window
- 3. Decorative trim molding at gutter height
- 4. Decorative shaped window
- 5. Dormer
- 6. Varied building planes
- 7. Accent siding
- 8. Extended rakes

9. Chimney chase
 10. Shutters or window trim on all operating windows
 11. Shadow line roof shingles
 12. Wood deck
 13. Screened-in porch or covered porch
 14. Brick wrap or brick water table
- O. All homes constructed on the Real Estate shall be substantially similar to those depicted in Exhibit C.
- P. The front elevation and the color scheme as a combination, selected for the subject home, shall not be the same combination on any other home within a three (3) home "snapshot" on the same side of the street or immediately across the street from the subject home (the center home of the three (3) homes "snapshot"). Further, in addition to the foregoing, each home on each side of the subject home or directly across the street from the subject home shall not contain the same front elevation as the subject home. (See p. 2 of Exhibit 4 Petitioner's Proposal for depicted diagram)
- Q. The Developer shall improve the Real Estate with landscaping similar to the concept shown on Exhibit D.

Neighbor Meeting

On January 24, 2011, the petitioner held an open meeting for residents of Brookside and other nearby subdivisions to communicate their thoughts on the proposal. The petitioner presented basic information regarding the proposal, such as home values and types of collection home series. The major discussion topics and questions that arose from this meeting are as follows:

1. Property values to Brookside homes.
2. The collection home series being proposed. Can the builder provide rear elevations to proposed collection homes?
3. If the Property goes unfinished by the Estridge Companies, how do you guarantee consistency in the homes being built by the next builder?
4. Can the builder commit to the Landscaping Plan that was presented to the neighbors?

5. Can the builder commit to adding enhancement features to the homes abutting the tree easement area and Brookside subdivision?
6. Is there or will there ever be a market for custom homes under the current commitments?
7. Will the approval of these amendments be consistent with Westfield's vision?

Staff Comments

1. Conduct the public hearing for the proposed amendments.
2. No action is required at this time.
3. If any APC member has questions prior to the public hearing, then please contact the Community Development Department at 804-3170.
